

## COMPANY SCHOLARS PROGRAM (\$300 TO \$6,000)

Companies may prefer to provide one or more scholarships to directly sponsor an individual young person to the 40-hour intensive EnergyVenture summer camp.

Each young person will be sponsored by a company and they will be known for example as the Dow scholar, DuPont scholar, Shell scholar, Exxon scholar.

Letters of acceptance to the program identify a specific company as a student's sponsor.

Listed below are the sponsorship levels for the scholars program:

### Scholarship Levels

Sponsor:	One student	\$300
	Five students	\$1,500
	Ten students	\$3,000
	Twenty students	\$6,000

Scholarship sponsors receive the following:

- Listing as a scholarship sponsor on the information sent to homes
- Listing as a sponsor at the opening event and on the website
- A photo of their own "DuPont" scholars at the conclusion of the camp
- Other publicity opportunities as pursued by the individual company's PR representative, such as the 2009 DuPont Class Scholars,.. the 2010 DuPont Class Scholars, etc.
